

ASTR-5120: Radiative & Dynamical Processes 2019 Student Presentation Grading Sheet

Student Name _____ **Pres. Date** _____

Guidelines: The student presentation is worth 10% of the total course grade. This grade will be rescaled from a more convenient 60-point total that matches the six categories below.

For each of the categories, 10 points corresponds to meeting all the criteria with no significant problems. 9 points corresponds to generally meeting the criteria, but with a minor problem that could have been handled better. 8 points or lower corresponds to clearly not meeting some aspect of the listed criteria.

Content Explanations of the topic were clear, accurate, and at an appropriate level for the audience _____

Adequate background and motivation for the topic were provided _____

The material was presented in a logical order; i.e., the organization/flow of topics made sense _____

Delivery Good allocation of the allotted time _____

Presentation was clear, paced appropriately, and given in a way that maintained audience attention _____

The speaker answered questions from the audience professionally and knowledgeably _____

TOTAL _____
